ARTICLE V: GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A grievance shall mean a complaint by the Association that there has occurred to any teacher, or group or class of teachers in the unit, a violation of the Agreement; or that such teacher, group or class of teachers has been treated unfairly or inequitably by reason of any act or condition which is contrary to written Board Policy, or written administrative decision which may be amended from time to time, except that the term grievance shall not apply to any matter in which: (a) a method of review is prescribed by law or by any rule or regulation of the State Commissioner of Education and State Board of Education having the force and effect of law; (b) the Board is without authority to act; (c) a complaint of a nontenured teacher which arises by reason of not being re-employed; or (d) a complaint by any certificated personnel occasioned by lack of appointment to, or lack of retention in, any position for which tenure is either not possible or not required.
2. A grievance that affects a group or class of teachers in all high school buildings shall be filed simultaneously at Level II with the building principals.
3. Nothing herein contained shall be construed to limit the right of any teacher to discuss a matter informally with an immediate supervisor and have the grievance adjusted without intervention of the Association, provided that adjustment is not inconsistent with the terms of this Agreement and that the Association, at the request of the aggrieved party, is given the opportunity to be present at the discussions and to state the Association's views.

B. PROCEDURE

1. To be considered under this procedure, a grievance must be initiated by the Association within 20 school days of its alleged occurrence or from the time when the teacher or teachers involved could reasonably have known of its occurrence. Grievances shall be processed with all due speed.

B. PROCEDURE (Continued)

2. In the event a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by June 30th of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the aggrieved, the time limits set forth herein may, by mutual agreement between the Board and Association, be reduced so that the grievance procedure may be exhausted prior to the end of the school year as defined above or as soon thereafter as is practicable.

C. LEVEL ONE: INITIAL GRIEVANCE

Except as provided in Section A-2 above, a teacher with a grievance shall first discuss it with an immediate superior in an attempt to resolve the matter informally at that level. If this informal discussion does not resolve the matter within two school days, the Association may present a complaint in writing, within five school days to the immediate superior, and this complaint shall make known full details of the grievance. The complaint shall specify:

1. the nature and date of the alleged occurrence in reasonable detail;
2. the nature and extent of any injury, loss or inconvenience;
3. the results of the previous informal discussions;
4. the dissatisfaction with decisions previously rendered;
5. expected relief or corrective action or alternatives; and
6. a citation of the specific sections and provisions of this Agreement, Board Policy, or administrative decision alleged to have been violated, misapplied, or misinterpreted wherever possible and applicable. After initial filing, additional discovery may be presented by the Board and/or Association at any level.

The immediate superior shall communicate a decision to the Association in writing within five school days of receipt of the written grievance.

D. LEVEL TWO: APPEAL TO THE PRINCIPAL

In the event the grievance is not satisfactorily resolved in the preceding step, the Association may appeal the decision to the building principal within five school days. The grievance appeal shall state the reason(s) the supervisor's response is not satisfactory. Informal discussion may be convened at the principal's level at the discretion of the principal. The building principal shall render a written decision within five school days after receiving the complaint.

E. LEVEL THREE: APPEAL TO THE SUPERINTENDENT

If the Association is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five school days after presentation of the grievance at Level Two, the Association may file the grievance with the superintendent of schools, in writing, within seven school days of the date of the receipt of the principal's decision or within twelve school days of presentation of the grievance at Level Two. The grievance appeal shall state the reason(s) for dissatisfaction with the principal's response.

The superintendent shall meet with the Association and the teacher or teachers involved within eight school days of such a request. The superintendent and the Association may involve those parties in any meeting deemed needed for the settlement of the grievance. The superintendent shall submit a written decision to the Association within six school days of the meeting or fourteen school days of the request.

F. LEVEL FOUR: APPEAL TO THE BOARD

If the Association is not satisfied with the decision of the superintendent, a written appeal may be submitted directly to the Board of Education within seven school days after receiving the superintendent's written response. The Association shall submit to the Board Secretary, a request in writing, that the Board hear the matter. The request shall state the reasons the superintendent's response was not satisfactory. The Board President shall determine the site of the meeting and whether to schedule the appeal for an executive session at the next regular Meeting or at an executive session of a special meeting, either of such meetings to be no later than three weeks after the date of the receipt of the written request. Prior notice of such meeting shall be given to the Association so that it may participate. The Board shall render a written decision within one month from the date of the receipt of the written request.

G. APPEAL BEYOND THE BOARD OF EDUCATION

1. It is understood by the parties to this Agreement that some matters have been declared nonarbitrable by the New Jersey Supreme Court and that such matters may be grieved under this grievance procedure only to the level of the Board of Education. If the Association wishes third party resolution in such matters, they may seek redress in the Courts or before the Commissioner of Education. Grievances concerning matters related to terms and conditions of employment which are embodied in New Jersey Statutes and are mandatory now and may become mandatory and or permissive in the future shall be submitted to binding arbitration.
2. If the Association is dissatisfied with the decision of the Board of Education, it may request the appointment of an arbitrator, such request to be made known to the superintendent no later than two weeks after the written decision of the Board of Education is delivered to the Association. Such a request can be honored only if the Association waives the right, if any, in writing, to submit the grievance to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's decision.

G. APPEAL BEYOND THE BOARD OF EDUCATION (Continued)

3. The matter thereafter shall be processed pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association.
4. The arbitrator shall be limited to consideration of the issues submitted and shall consider nothing else. The arbitrator cannot add anything to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The decisions of the arbitrator shall be binding upon both parties. If the arbitrator finds for the Association, the Board will meet within ten days to act upon the arbitrator's findings.
5. Costs
 - a. Each party shall bear the total cost which it incurs.
 - b. The fees and expenses of the arbitrator are the only costs which shall be shared by the two parties and such costs shall be shared equally.
 - c. If time is lost by any teacher due to arbitration proceedings necessitating the retention of a substitute, the Board will pay the cost of the substitute for not more than one teacher per day. Such a teacher shall suffer no loss in salary.

H. GENERAL PROVISIONS

1. All time limits must be adhered to unless a change is mutually agreeable to all parties. If such time limits are not adhered to by the Board or administration, the Association may initiate action to the next step in the procedure. If the Association fails to adhere to such time limits, the grievance shall be considered withdrawn.
2. Grievances must be in writing and must identify the teacher(s) involved.
3. Unless physically impossible, the teacher(s) involved must be present at all stages of the grievance procedure which requires attendance. It is understood that all meetings shall be mutually agreed upon unless such meetings are held during the normal work day.
4. In matters where discrimination due to race, color, creed, sex, national origin, sexual orientation, ancestry, age, or physical handicap is involved, they shall be treated by this grievance procedure up to the Board Level. The District's affirmative action officer shall sit in on all informal sessions and shall attempt to conciliate the matter. If said grievance is not resolved at the Board Level, the Association reserves the right to petition the Commissioner of Education, the State and/or Federal Courts, and or the appropriate State or Federal agency.
5. To assist the person who will hear the grievance at the next level, all appeals should state the grievant's reason(s) for dissatisfaction with the response offered at the level being appealed.

ARTICLE VI: DURATION

A. AGREEMENT DURATION

This Agreement shall be effective from July 1, 2009 to June 30, 2012.

B. BARGAINING LIMITATION

For the life of this Agreement both the Association and the Board waive the right and agree that neither shall be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.

ARTICLE VII: INSURANCE COVERAGE

A. HEALTH BENEFITS PROGRAM

The Board shall provide family health care insurance protection for each teacher in the bargaining unit. The present insurance plan utilized by the Board of Education is as follows. The medical plan is provided by Amerihealth and offers two Point-of-Service plan options, POS 10 and POS 15. POS 10 offers lower in-network co-payments, and higher out-of-network out of pocket cost, relative to higher in-network co-payments, and lower out-of-network out of pocket cost through POS 15. Both plans cover vision exams and hardware, and provide a \$100 reimbursement. The parties shall be bound by the rules and regulations of the NJSHBP and other statutes, codes, and regulations governing health care insurance for public employees. Effective July 1, 2007 the deductible on both medical plans shall be \$500, and office co-pays shall be:

POS 10:	\$15	PCP	\$25	Specialist
POS 15:	\$20	PCP	\$30	Specialist

B. DENTAL INSURANCE

The Board shall provide a family dental insurance program agreed to by the Association and the Board, which will cover 100 percent of diagnostic and preventative dental services, up to four prophylaxis procedures per year, 100 percent of remaining basic dental services, and 50 percent of prosthodontic services, up to a maximum of \$1,800 per year for these services for each eligible patient, when such services are performed by member dentists whose fees are based upon "usual, customary, and reasonable fee" concept. Orthodontic coverage on a 50/50 co-pay basis up to a maximum of \$1,500 per case will be included. The \$1,500 maximum is separate and apart from the \$1,800 maximum for preventative, basic and prosthodontic services. All present and future teachers

will become eligible for this benefit on the first day of the month following two months of continuous full time employment with a minimum of 20 hours per week. Eligibility, enrollment and governing administrative policies shall be as negotiated with the carrier and as regulated by the State Health Benefits Commission, pursuant to Chapter 12, P.L. 1975 and subsequently enacted controlling legislation.

C. PRESCRIPTION INSURANCE

The Board shall provide a family prescription insurance plan as offered by a carrier agreed to by the Association and the Board. Conditions and provisions of the coverage are as administered by Benecard, using NPA as the pharmacy benefits manager. The co-payments are \$15 brand, \$10 generic and \$1 for mail order prescriptions

D. EXTENSION OF BENEFITS

The Board will continue to pay the medical insurance premiums for coverage described in this Agreement for up to one year for teachers who are temporarily medically disabled for an extended period of time and are unable to report to work. The medical disability must be described briefly in writing by a physician and the physician must certify the disability precludes the employee's return to work. Disputes concerning the nature and scope of such disabilities shall be resolved by the process described in Article X, Section D-3c of this Agreement. At the Board's discretion, the coverage may be extended for up to one additional year.

E. NONPARTICIPATING TEACHERS

In the event that a teacher chooses not to participate in or be enrolled in the health care insurance plan provided by the Board, said employee may make no claim on the Board for payment or other consideration in lieu of participation. The parties agree to establish a Section 125 (IRS Code Plan) for the purposes of making available a cash option.

1. Any employee otherwise entitled to full family health insurance coverage shall have the option to withdraw from such coverage and to be paid a sum equal to 40% of the family premium coverage for each year that the withdraw remains in effect. All withdrawals from health insurance coverage shall be for a minimum of one year corresponding to the benefits period established by the Board's carrier. The cash payment shall be a stipend payable quarterly.
2. In addition to the family health insurance coverage, the employee shall have the option to withdraw from other insurance coverage available by the Board of Education and to be paid a sum equal to 40% of the said coverage. All withdrawals from the insurance coverage shall be for a minimum of one year corresponding to the benefits period established by the

Board's carrier. The cash payment shall be in the form of a stipend payable quarterly.

3. Notwithstanding the above, the employees who have a change in status, e.g. termination of employment, divorce (copy of decree required), legal separation (copy of decree required), death (copy of certificate required), group contract/policy terminated, military discharge (Form D0214 required), which causes them to lose coverage elsewhere shall be entitled to re-enroll in the health plan during the plan year providing the employee gives the Board notice of the change in status within sixty (60) days of the event causing the change; otherwise all elections or cash options shall be in effect for the entire twelve (12) month benefit period. The Board's obligation for the cash option shall be pro-rated for those employees subject to a change in status.
4. Return to benefits plan for reasons other than change of status is subject to the terms of the carrier.
5. The parties agree that the cash option provision shall be rescinded if there is any tax liability (state or federal) to employees who continue to choose benefits.

F. DESCRIPTION OF COVERAGE

The Board agrees to request that the insurance carrier provide each teacher with a description of the health care insurance coverage provided under this article. The board shall continue to pay 100% of the cost of premiums for all health insurance plans.

ARTICLE VIII: SICK LEAVE

A. ENTITLEMENT AND NOTIFICATION

Commencing on September first of each school year, ten-month teachers employed in the District shall be entitled to 10 sick leave days for each school year as of the first day of school. Teachers who join the staff after the beginning of the school year shall be entitled to one sick leave day for each month or remaining portion thereof remaining in that school year. Unused sick leave shall accumulate from year to year with no maximum limit.

If a teacher is absent four consecutive school days, a doctor's certificate concerning the illness shall be presented to the superintendent. The teacher shall notify the principal, or the principal's representative of anticipated absence due to illness as early as possible, but not later than one hour before school opens on the day of the absence. When possible, notification should be made prior to 10:30 p.m. the evening preceding the absence. Such notification also is required the day prior to taking any approved leave pursuant to Article IX. Daily call-in shall not be required in a case of extended illness. A ten-month teacher who fails to comply with notification procedures for anticipated absence shall suffer a loss of wages equal to 1/200th of the teacher's annual salary for

each day notification is not provided.

B. REIMBURSEMENT FOR UNUSED SICK LEAVE AT RETIREMENT

Upon death or simultaneous retirement from the teaching profession and retirement from the service of the Board, as confirmed by the New Jersey Teachers' Pension and Annuity Fund, a teacher or designated beneficiary shall receive a lump sum payment equal to \$80.00 per day for each day of unused accumulated sick leave on the date of retirement, provided:

1. the teacher has been employed continuously by the Board including periods of approved leave of absence for a period of 15 complete years or more,
2. and the teacher has notified the Board, by November 1 of the year prior to the fiscal year in which retirement will take place, of the intent to retire, if they intend to retire within the next twelve (12) months. In emergent circumstances a later notice will be accepted by the Board; however, payment shall be deferred one year to allow for budgeting by the Board. Payment shall be made on July 15th for anyone retiring on or prior to June 30, or 30 days after the actual retirement date for employees retiring between June 30 and November 1.

Exceptions to the period of employment and notification timelines described above will be granted only in cases of unforeseen disability retirement from the teaching profession as confirmed by the Teachers' Pension and Annuity Fund.

Teachers who accept payment described in this section shall not be eligible for reinstatement of unused accumulated sick leave as provided in Section B of this article if they have received compensation in accordance with this section, should they leave retirement to be re-employed by the District.

ARTICLE IX: TEMPORARY LEAVES OF ABSENCE

A. TYPES

All requests for leaves of absence must be submitted through the Office of the Principal to the superintendent for approval. Applications for leave shall be made on the form attached hereto as Schedule A, entitled "Request for Temporary Leave," which shall be submitted at least five school days in advance of the leave date(s). As of the beginning of each school year, teachers shall be entitled to the following leaves of absence with full pay each school year:

1. Personal Leave

Employees shall be entitled up to two (2) days for personal leave. Application for personal leave shall be made five school days before taking such leave, except in emergencies. The applicant shall certify, as required by the form, that the reason for leave is an urgent personal matter which cannot be reasonably met during non-school hours. In all instances where an

1. Personal Leave (Continued)

additional explanation is required pursuant to this article, a determination to grant the request shall be at the discretion of the administration and subject finally to the grievance procedure found in Article V of this Agreement.

Personal leave may not be granted for days which fall immediately prior to or immediately after a school closing date (not including Saturday or Sunday) or an extended recess period. In emergency circumstances, the superintendent may exercise discretion to waive this restriction provided a written explanation for the need for leave accompanies the request and provided the superintendent finds the reason to fall within the intended use for personal leave.

Unused personal leave shall be accumulated as sick leave each year except in the case of non-tenured teachers. The benefit of this accumulation shall not be usable until the teacher attains tenure.

Requests to use personal leave for religious holidays will be granted in excess of five per day if a minimum of 30 days notice is given and if "religious holiday" is the stated reason. Personal leave may be granted for religious observances only when the commitment can be met during school hours.

2. Professional Leave

Teachers shall be allowed up to two (2) days for the purpose of visiting other schools or for attending meetings, clinics, or conferences of an educational nature, if requested to do so or if they have received the approval of the principal and superintendent. Applications for leave shall be made on the form attached hereto as Schedule B-1, entitled "Request for Professional Development". Following the approved professional leave, form attached hereto as Schedule B-2, entitled "Approved Professional Development Summary Report" must be submitted to the Office of the Superintendent, if so appropriate according to Policy and Regulation 3240.

3. Bereavement Leave

Teachers may be granted up to five (5) days in the event of the death of a teacher's parent, spouse, child, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandparent, grandchild, or surrogate parent which could include a grandparent who actually raised the teacher, or a member of the immediate household. Teachers also shall be granted up to one day in the event of the death of a teacher's relative outside the immediate family as defined above. Where additional absence due to family death is required because of the emotional disability of the teacher, such absence may be charged to accumulated and authorized sick leave, upon request of the teacher. Where additional absence due to family death is required because of geographic distance to the funeral site, such absence may be requested and granted as personal leave, in

A. TYPES (Continued)

accordance with Section A-1 of this article.

4. Other Temporary Leaves

Other leaves of absence with pay may be granted by the Board at its discretion.

5. Effect of Temporary Leave Upon Sick Time

Leaves taken pursuant to this article shall be in addition to any sick leave to which the teacher is entitled, except for emotional disability leave as described in Section A-3 of this article.

B. DEATH OF A TEACHER OR PUPIL

In the event of the death of a teacher or pupil in this District, using discretion, the superintendent shall determine the extent of representation on behalf of the District to attend services. Teachers who wish to attend services may utilize personal leave in accordance with the rules governing use of personal leave described in Section A-3 of this article.

ARTICLE X: EXTENDED LEAVES OF ABSENCE

A. ASSOCIATION BUSINESS

The Board agrees that up to one tenured teacher designated by the Association shall, upon request, be granted a leave of absence without pay for up to two (2) years for the purpose of engaging in the activities of the Association or its affiliates, provided a minimum of 60 days' notice has been given to the Board. Additional time may be granted by the Board at its discretion, provided 90 days' notice has been given.

B. PUBLIC SERVICE, EDUCATION AND OVERSEAS LEAVE

A leave of absence without pay of up to one (1) year shall be granted to any tenured teacher who joins the Peace Corps, VISTA, National Teacher Corps, or serves as an exchange teacher or overseas teacher and is a full-time participant in any such program, or accepts a Fullbright Scholarship.

C. MILITARY LEAVE

Military leave without pay for the period of induction or initial enlistment shall be granted to any teacher who is inducted or who enlists in any branch of the Armed Forces of the United States.

Extensions of military leave may be granted by the Board at its discretion.

Time necessary for persons called into temporary active duty or any unit of the U.S. Reserves or State National Guard shall be granted provided such obligations cannot be fulfilled on days when school is not in session. For the purpose of this Agreement, the determination of what constitutes "temporary active duty" shall be made by the Board at its discretion. In no event shall the term apply to service rendered by an individual beyond the initial military obligation as required by Federal Statute. A teacher absent because of temporary active military duty shall be paid a salary differential in accordance with the requirements of N.J.S.A. 3 8:23-1 or N.J.S.A. 38A: 4-4.

D. MATERNITY DISABILITY AND CHILD REARING LEAVE

Child rearing leave without pay and disability leave with or without pay shall be granted in accordance with the conditions outlined hereinafter:

1. Any teacher seeking a leave of absence for reasons associated with disability due to pregnancy or for child rearing leave during the first year of the child's life shall file a written request for such leave with the superintendent at least 90 days in advance of the first day of the anticipated disability or child rearing leave. The written request shall include:
 - a) a physician's certification of pregnancy and the estimated delivery date,
 - b) the date on which the teacher intends to return,
 - c) request for medical disability leave which specifies the anticipated beginning and ending date for disability leave may be necessary. The Board will honor changes of ending date (It is understood that medical disability is not always predictable and that a change in the date be supported by the attending physician's written recommendation.),
 - d) a notice of intent to use accumulated sick leave (It is understood that a teacher cannot know how many sick leave days will remain available to her 90 days in advance; therefore, final written notice of how many days will be taken for medical disability leave due to pregnancy need not be submitted until the week of the teacher's departure for her disability leave. If sufficient accumulated sick leave is not available to cover the entire period of medical disability, the teacher may indicate that she wishes to use all which is remaining to her upon her departure. Requests for use of accumulated sick leave which extend beyond 30 calendar days before and/or after the anticipated delivery date must be accompanied by a physician's certification of the nature of the disability and his/her recommendation with respect to employment.), and
 - e) a request for child rearing leave without pay, if desired, which includes the ending date. It will be assumed that such leave will begin at the end of the approved medical disability period. In situations where a teacher has no available accumulated sick leave or does not wish to use sick leave for the period of disability, the request should so state and should include a beginning date for unpaid leave.
2. The Board shall honor leave dates so requested if they will not substantially interfere with

D. MATERNITY DISABILITY AND CHILD REARING LEAVE (Continued)

the effective administration of the educational program to which the teacher was assigned, subject to the following conditions:

- a) As a condition of the teacher's return, the Board may require production of a certificate from a physician certifying that the teacher is medically able to resume her duties.
 - b) In no event shall nontenured teachers have such leaves of absence extended beyond the end of the contract year in which leave is requested to commence.
 - c) In no event shall such leaves for tenured teachers extend beyond a period of two semesters from the date on which said leave is to commence.
 - d) The Board may grant a leave for dates other than those requested upon finding that the grant of leave for the dates requested would substantially interfere with the administration of the school. In general, maternity disability/child rearing leaves shall commence and end at the beginning of a semester.
 - e) The Board will honor sick leave requests which meet the requirements and criteria established in Section 1 herein, so long as the delivery occurs within the time specified in the teacher's request for use of sick leave. If delivery occurs prior to the initially requested disability period, the Board shall permit use of accumulated sick leave for the required absence prior to delivery and for all school days during a 30 calendar day period following delivery.
 - f) The Board understands that an anticipated delivery date represents a physician's best estimate and that circumstances can cause the estimate to be incorrect. The Board will not act to deny leave under this article when date estimates are incorrect because of circumstances beyond the pregnant teacher's control.
 - g) When the teacher's absence due to disability leave does not extend 30 days before and after delivery and the teacher has furnished a prior notice from a physician certifying the pregnancy and the anticipated delivery date, the Board shall not require the physician's notice described under Section A of Article VIII (SICK LEAVE) of this Agreement.
3. The Board reserves the right to remove any pregnant teacher from her position or to insist that the teacher accept a leave of absence therefrom, in accordance with the provisions of Section D of this article, if after her pregnancy is confirmed, her teaching performance has substantially declined in comparison to her performance prior to the medical confirmation of pregnancy, or if her physical condition or capacity is such that her health would be impaired if she were to continue teaching. Such physical capacity shall be deemed so impaired if any of the following occur:

D. MATERNITY DISABILITY AND CHILD REARING LEAVE (Continued)

- a) the pregnant teacher, after written request from the superintendent, fails to produce a certification from her physician that she is medically able to continue to perform her duties,
 - b) the pregnant teacher's physician and a physician designated by the Board agree that she is not medically able to continue to perform her duties, or
 - c) if, after a difference of medical opinion by the teacher's physician and the Board's physician, a third physician designated by mutual agreement of the teacher and the Board, or, if no such agreement can be reached, the Camden County Medical Society certifies that, in his/her opinion, the teacher is not medically able to perform her duties. If it becomes necessary to seek the opinion of a third physician, the fee involved shall be shared by the Board and the teacher involved.
4. In the case of termination of pregnancy for any reason other than normal birth, the employee shall notify the Board of such circumstances and the Board shall honor a request to return earlier than the date originally established upon receipt of medical certification by the teacher's physician of her physical fitness to teach, and if the Board has not contractually obligated itself to a replacement teacher, or if another position exists for which the teacher is certificated and qualified to take. If the returning teacher's position is occupied by a nontenured replacement, the replacement teacher may be given a 60 day termination notice to make room for the returning teacher if the returning teacher so requests. During the 60 day period the Board agrees to utilize the services of the returning teacher as a substitute teacher at the substitute teaching pay rates. If the substitute or replacement teacher leaves earlier than 60 days, the returning teacher will be assigned to the position immediately upon departure of the substitute teacher.
- The processes for restoration of medical benefits shall be initiated by the Board upon notification from the returning teacher that she wishes to return to her position because of an unanticipated termination of pregnancy.
5. After the granting of leave to any teacher pursuant to the provisions of Section D of this article, the Board will give reasonable consideration to a request from the teacher for either the extension or reduction of the period of leave so granted, provided the teacher requesting the same makes written application to the superintendent at least 60 days before the date such extension or reduction will become effective, and submits with that application a certificate from a physician certifying that said reduction or extension of leave is not medically contraindicated and that the teacher is or will be able to resume her duties on the date such resumption is requested and provided the date of return falls at the beginning of a semester and provided a vacancy exists for which the teacher is certificated and qualified to fill.

E. FAMILY ILLNESS LEAVE

I. OTHER LEAVES

Other leaves of absence without pay may be granted by the Board at its discretion.

J. INCREMENT CREDIT UPON RETURN FROM LEAVE

1. Upon return from a leave granted pursuant to Sections A, B, C, or G of this article, teachers shall be considered as if they were actively employed by the Board during leave and shall be placed on the salary schedule at the level they would have achieved if they had not been absent, provided however, that time spent on said leaves shall not count toward the fulfillment of the time requirements for acquiring tenure. A teacher shall not receive credit for time spent on leave granted pursuant to Sections D, E, F, H, or I of this article, nor shall this time count toward the fulfillment of the time requirements for acquiring tenure.
2. All benefits to which teachers were entitled at the time a leave of absence commenced, including unused accumulated sick leave, shall be restored upon return, and they shall be assigned to the same positions, if vacant, which they held at the time said leave commenced.

2. The superintendent shall, within 20 school days after the deadline for submission of requests, publish a list of those requesting reimbursement. The list shall indicate those persons eligible for reimbursement under standards established in this article.

A course taken outside of a teacher's subject area, or which is not an education course or which is a course not required in a program which is considered to be in the teacher's subject area, shall be defined as a "course taken outside of discipline" and shall not be subject to tuition reimbursement unless the superintendent shall have indicated prior approval of said course for tuition reimbursement purposes. The grade must be verified by an official transcript or by a letter of explanation from the college or university involved which explains when the transcript will be available. This must be received by the superintendent within 90 days of course completion. If a teacher takes courses over more than one semester, the official transcript need not be sent until after the completion of the last course for that fiscal year. Copies of the unofficial transcript will be accepted after completion of courses during earlier semesters in order to permit initial payment.

E. OTHER REQUIREMENTS

Subject to the conditions described in this article and subject to receipt of official college transcripts, verification of courses as graduate credit, verification of actual tuition costs, verification of available funds and substantiation that the college or university offers graduate credits acceptable to the New Jersey State Board of Examiners for certification purposes, and upon receipt of a signed voucher required by statute, tuition shall be reimbursable to teachers within 15 days after the Board meeting which follows the fulfillment of these conditions.

F. REIMBURSEMENT FOR WORKSHOPS AND SEMINARS

By filing their requests through the department supervisor to the principal and the superintendent, teachers may seek approval for use of these funds for reimbursement of registration and travel costs to attend workshops, clinics, seminars, conferences, and other meeting events which are related to their specific assignment within the District. The standard form to request professional leave may be used. Approval to expend up to the amount requested will be included in the response to the leave request. Requests will be considered on a first-come, first-served basis. Requests may be filed well in advance of the requested date as a way to reserve funds. Reimbursement will occur after the fact, upon submission of the required receipts and signed voucher.

ARTICLE XII: SALARY AND COMPENSATION

A. SALARY GUIDE

Salaries of teachers covered by this Agreement shall correspond with those set forth in Schedule D attached hereto. If it is anticipated that graduate credits will be earned during the school year which will make a teacher eligible for a higher salary scale, indication of same must be presented in writing to the superintendent on or before November 1 of the preceding school year, in order to permit budgetary provision for such needs. B. ANTICIPATED POSITIONS

The superintendent shall deliver to the Association within 40 days following the annual budget election, a tentative list of positions expected to be available for the following school year. The list may be changed after the date, if circumstances warrant. Teachers who desire to apply for such openings may file a letter of application with the superintendent within ten calendar days of the posting. In formulating assignments, the Board agrees that consideration shall be given to the expressed desires of the teachers; however, nothing contained herein shall prohibit the administration from the exercise of its discretion in good faith in making teacher assignments.

C. TEACHER TRANSFER

Notice of involuntary reassignment shall be given to teachers affected as soon as practical. An involuntary transfer or reassignment shall be made only after a meeting between the teacher and the principal, at which time the teacher shall be notified of the reason therefor. In the event the teacher objects to the transfer or reassignment at the time of the meeting, and upon the request of the teacher, the superintendent shall meet with the teacher. The teacher may, at the teacher's option, have an Association representative at such a meeting. The determination to transfer or reassign shall not be subject to the grievance procedure.

ARTICLE XIV: PROMOTIONS

A. ADVANCE NOTICE

The Board agrees that there shall be as much advance notice as possible, which, except in emergencies, shall be at least five (5) days notice to the Association and its members of the availability of promotional positions. For the purpose of this Agreement, promotional positions shall include positions paying a salary differential and/or positions on the administrative-supervisory levels of responsibility.

B. APPLICATIONS

Teachers who desire to apply for such promotional positions shall submit an application in writing to the superintendent within the time limits specified in the notice.

C. SELECTION

Without limiting the Board's or Administration's discretion in the final determination, the Board agrees to consider teachers presently employed in filling the aforesaid promotional positions.

ARTICLE XV: OTHER PROGRAMS

A. PUBLICIZING POSITIONS

All staff employment opportunities in school year and summer programs shall be publicized by the superintendent in accordance with the procedure set forth in Article XIV of this Agreement.

B. SELECTION CRITERIA

Demonstrated ability to meet the position's qualifications shall be necessary for initial employment to such positions. Satisfactory performance in an assignment is a requirement for reassignment in ensuing years. Satisfactory performance shall be defined as the absence of written notice to the contrary.

C. ASSOCIATION PRIORITY

Except where previous poor performance has been documented, a lack of qualifications exists, or another certificated teacher held the position the previous school year; teachers employed in the District shall be given priority to other program assignments over applicants from outside the District.

ARTICLE XVI: SCHOOL CALENDAR

A. ASSOCIATION INPUT

Before adoption of the school calendar, the Board will consider the suggestions of the Association concerning vacations and holidays. The Board reserves the right to make the final decision with respect to the school calendar. Association suggestions should be submitted to the superintendent by February 1 of the prior school year.

B. WORK YEAR

The Board hereby agrees that the teacher work year shall be limited to:

1. all days when pupils are in attendance;
2. two days for attendance at the New Jersey Education Association Convention;
3. four additional days for orientation, closing and in-service training; and
4. an in-service day for teachers new to the District which may be scheduled on or after the Thursday preceding Labor Day each school year.

C. MAXIMUM NUMBER OF DAYS

The total number of days will not exceed 188 for teachers with prior experience with the District. Of the 188 days, 182 shall be student contact days.

ARTICLE XVII: TEACHING HOURS AND LOAD

A. TEACHING HOURS

1. The in-school workday shall consist of no more than 7 hours and 30 minutes. A half-day under normal scheduling shall require 4 periods of attendance, while under special/revised schedules, 4.0 hours shall be required for attendance. The four periods must be the first four periods or the last four periods of the day.
2. Building-based teachers may be required to remain after the end of the regular workday without additional compensation, for the purpose of attending building faculty or other professional meetings an average of two days each month. Such meeting shall begin no later than 15 minutes after the student dismissal time and shall run for no more than 45 minutes, except that such meetings may run for up to 75 minutes four (4) times per year. The Board will grant professional development credit for the 75-minute meetings. In cases of

emergencies involving the health and safety of students or teachers, additional time may be needed.

3. Teachers are to sign in the time of arrival to school and sign out the time when they leave for the day. In the event of an early departure, permission must be secured in advance from the principal. An "Early Departure" form must be completed prior to the teacher leaving the building.
4. Except in emergencies, meetings which take place after the regular in-school work day and which require attendance, shall not be called on Fridays or on any day immediately preceding any holiday, or other day upon which teacher attendance is not required at school.
5. Room assignments should be given to the department supervisor for teacher input so that classroom changes can be minimized.
6. All teachers involved in cocurricular, paid activities, athletics, and/or non-athletics, shall be responsible for supervising these pupils after school hours until their departures from school via the activity or athletic bus.

B. TEACHING LOAD

1. The teaching load for teachers shall be 30 periods per week consisting of teaching and/or non-teaching assignments. This is not to be interpreted to mean that six teaching periods per day is considered normal. The Board affirms present policy in that generally teaching loads assigned to teachers shall not exceed 25 teaching periods per week except as set forth in paragraph #2 below.
2. While the Board reserves the right to make such adjustments in teaching assignments as may be educationally desired, it will, consistent with the foregoing, endeavor to limit to 25 percent of the staff the number of teachers assigned to teach six periods.
 - a) When possible and practical, no more than 25 percent of the teaching staff in any department is to be required to teach six periods.
 - b) When possible and practical, any six-period assignment shall be made first on a voluntary basis, and failing that, on a rotating basis for one year.
 - c) None of the existing teaching personnel shall have their employment terminated by reason of the six-period assignment.
 - d) It must be the firm policy of the Board, both for itself and for all future Boards, not to expand the six period teaching assignment beyond one-third of the staff.
3. Teachers may be required to attend no more than three evening assignments or meetings each year related to the student activity program. Of those assignments or meetings, one

shall be without compensation and all others shall be compensated at the rate of per assignment or meeting. School activities such as PTA, Back to School Night, 7th/8th Grade Orientation, and graduation shall not be considered as one of the assignments and shall not be compensated. The Board understands that teacher attendance at the 7th/8th Grade Orientation is voluntary. Advisors, teachers, and coaches who must attend events related to compensated cocurricular assignments shall not be compensated beyond the activity stipend. A teacher who substitutes for another teacher shall not be compensated for attending a student activity function if the first teacher would not have been compensated under provisions of this section. No teacher shall be assigned to chaperone an activity scheduled on a holiday or extended weekend.

4. Those teachers assuming a sixth period shall be responsible for a maximum of 30 assigned periods and may be assigned a homeroom, but will be required to assume no other instructional or supervisory duties. Teachers with a sixth period class shall assume a homeroom last, where possible.
5. The Board recognizes that wherever possible, multiple preparations should be limited. Whenever possible efforts will be made to limit this number to two subject areas or two levels of the same subject. In some instances; however, more than two preparations will be required by problems in homogeneous scheduling, teacher certification, class size, total pupil assignment, and the number of different courses offered in particular disciplines. A preparation constitutes any course for which a course of study has been written.
6. Work schedules shall provide a daily preparation period for each teacher. Said preparation period shall be utilized only for professional preparation and growth. During this period, the teachers will not be assigned any duties unless an emergency arises which affects the safety, health, and welfare of pupils and/or staff. Existence of an emergency is to be determined by the superintendent or principal. During their prep period, teachers may not leave the building and may not switch lunch and prep without the approval of the principal.
7. It is the intention of the Board not to require teachers to teach continuously for more than four periods (two periods where double periods are involved). It is recognized that this goal may not be achieved in all cases. Where it is not possible to limit continuous teaching periods, a teacher may be requested to teach additional continuous teaching periods. Such requests shall not be unreasonably refused.
8. Teachers shall have a daily duty-free lunch period and may leave the building during such period without requesting permission, provided they sign-out and sign-in again through the General Office.
9. It is the policy of the Board to avoid assigning a teacher to substitute teaching assignments during the teacher's preparation period. Where circumstances do not permit the obtaining of a substitute teacher, full-time teachers may be assigned additional classes during their preparation periods. Such assignments shall be made to qualified volunteers selected by the administration. Payment shall be made for such services as hereinafter provided. When requested to teach during a preparation period, a teacher shall be paid an amount equal to:

- a) in the case of assignments to a homeroom period, 10 percent of the substituting teacher's own daily salary rate, and
- b) in the case of assignments to a class or supervisory period, 15 percent of the substituting teacher's own daily rate.

The daily rate shall be equal to 1/200th of the annual salary of a ten-month teacher.

The amounts so paid shall be deducted from the salary of the absent teacher where:

- a) the absent teacher leaves school for any reason after the start of the school day,
- b) the teacher absent for sick leave or temporary leave of absence fails to give the notice required by this Agreement, and/or
- c) the teacher is absent ten minutes before any assigned period.

The deduction shall be limited to the absent teacher's salary or appropriate portion thereof.

If an absence of a teacher is required by the school administration or a school program, the teacher absent from class shall not suffer any deduction. An absent teacher may, where sickness is the cause of the absence, elect to charge the time against accumulated sick leave, provided the required notice has been given under Article VIII. In the event of such an election, only full days or half-days may be so charged. A teacher called upon to substitute during a preparation period may elect to waive payment under this article. If such a waiver is made, no deduction shall be made from the absent teacher.

- 10. Educators agree that class size is an important factor in the quality of education. The Board and the Association share this concern and both desire to reduce class size to the optimal educational size.
- 11. The duty period for Basic Skills Instructional Program (BSIP) coordinators shall be used for program coordination tasks. While the SRA (or ASHA) program is still required, the BSIP coordinators shall be provided an additional release period to perform program tasks. If a substitute program for the SRA (or ASHA) is ever created, the district will negotiate with the Association over release time for that purpose.
- 12. The duty period of the, School Activities Treasurer, and one (1) Peer Mediation Coordinators shall be used for program coordination tasks.

D. DEROGATORY FILE MATERIAL

No derogatory material will be placed in the teacher's file unless the teacher has been given the opportunity to read same and file an answer. The teacher shall sign the material to indicate the teacher has seen it but such signature shall not signify agreement with the contents thereof.

E. FILE INSPECTION

Upon request, a teacher will be afforded the opportunity to inspect, with the exception of pre-employment information, his/her personnel file in the presence of the superintendent or a designee. After the initial copy, the teacher may have a copy of file materials available for inspection at his/her own expense. There shall be only one official file.

F. OUTSIDE COMPLAINTS

ARTICLE XX: PROTECTION OF TEACHERS

A. CIVIL ACTION

Whenever any civil action has been brought, or shall be brought, against any teacher for any act or omission arising out of and in the course of the performance of duties of such teacher, the Board shall defray all costs of defending such action, including reasonable counsel fees and expenses together with costs of appeal, if any, and shall save harmless and protect such teacher from any financial loss resulting therefrom. This subparagraph shall apply to use of an automobile in the performance of a teacher's duties; however, the use of such automobile shall have been authorized in writing in advance by the superintendent.

B. CRIMINAL ACTION

Should any criminal action be instituted against any teacher for any act or omission arising out of the performance of the duties of such teacher and such action is dismissed or results in a final disposition in favor of the teacher, the Board of Education shall reimburse that teacher for the cost of defending such action, including reasonable counsel fees and the expense of the original hearing or trial and all appeals.

C. WORKER'S COMPENSATION

Whenever any teacher who is entitled to sick leave pursuant to this Agreement is absent from a post or duty as the result of personal injury caused by an accident arising out of and in the course of employment, the Board shall pay such teacher full salary or wages for the period of one calendar year without having such absence charged to the annual accumulated sick leave provided herein. Salary payments shall be made for absence during the waiting period and during the period the teacher received or was eligible to receive temporary disability benefit under Chapter 15 of Title 34 of the Revised statutes. Any amount of salary or wages paid or payable to the teacher pursuant to this section shall be reduced by the amount of Worker's Compensation award made for temporary disability.
